

## Newly developed: isimare. Isiburn fuel additives

Facts from the field: The Generator (type Kohler made in USA driven by a John Deere engine) has been running totally different than before:

- No more oil film in the water
- No more visible smoke and engine vibration
- The engine runs smoothly and there are no more electrical fluctuations as had previously
- The engine has more power at a time about 10-20%
- Flash point: 61°C
- U.S. air freight import approval available

Product name	Competitor	Isiburn ad <sup>2</sup>	Isiburn ad <sup>3</sup>
Composition	One-component catalyst	Multi-component Product	Multi-component Product
Catalytic Activity	Yes		Yes
Wear protective	No	Yes	Yes
Oxidation protection	No		Yes
Bactericidal effect	No		Yes
Fungicidal effect	No		Yes
Anticorrosive	No		Yes
Common rail engine	No	Yes	Yes
